

Sequim Community Orchestra

Mission: to provide an educational resource to the public, including orchestral training for students and for adult beginning and intermediate players, all instruments, all ages.

Vision: The Sequim Community Orchestra fulfills a need in the community for students and adults to experience the joy of making music together. Orchestra musicians learn basic orchestral skills: following a conductor, counting, listening, entertaining the public, etc. With new-found skills, many SCO musicians could move to other local orchestras.

The Private Teachers Who Train Our Musicians:

Lilias Green
Viola and Violin
Lessons and Performance,
Ensemble Coaching
Sequim and Port Angeles
Home: 360-681-5469
