## About the Band

The Sequim City Band was organized in 1992 by Chuck Swisher and a group of dedicated musicians. The band consists of players of all ages, and professions. We perform concerts in the Water Reuse Demonstration Site at the James Center for the Performing Arts regularly May through September and Indoors during the colder months.

Rehearsals are on Wednesday evenings. Contact the band if you are interested in joining us!

## About the Orchestra

We are an orchestra of around 45 musicians, of all ages, who come together to improve our performance skills and to experience playing in an orchestra. Most of us studied music in school, then moved into a career, and now are returning to, and rediscovering our love for music. Many of us picked up our instrument at a more advanced age and are pursuing a desire to do something we've always wanted to.

This orchestra is designed for orchestra musicians of intermediate skill. Though we do some performing during the year, our focus is on learning, and growing as musicians.

Rehearsals are on Tuesdays from 7pm to 9pm in the James Center for Performing Arts
